2008 Centenary Souvenir Photograph Album

The '2008' Committee are pleased to offer for sale an album to commemorate the centenary celebrations. The album is A4 in landscape format made up of 26 pages and has been produced by a professional event photographer. It will include a selection of pictures from the exhibition and the anniversary day. There will be pictures of the attendees gathered at their respective tables for the luncheon. Apart from a number of private ones all the photos have been taken by the event photographer. The album does also include other items of permanent interest. Most pages will have a suitable illustrative text and/or the names with school years of persons in each photo as far as are known. The album will include, as a sample, one of the fourteen portraits taken prior to the luncheon with details how to view them and obtain personal copies.

The album is priced at £30 and can be made available at the AGM/Luncheon, which is arranged for Friday, October the 3rd at Lysses House Hotel. In order to secure your copies please complete the slip below and send it to me, ensuring payment is included, at the above address by the 20th September at the latest.
