Dear Eric,

A apologies for the long delay. About a week before
Christmas Deborah fell a brick on arm & seem
to have one of the busiest times of my life.

Thank you very much for your letter. So
you're almost 68. Well, I'm not yet. I'm
glad you think of the Staff at Price's with
kindliness. It's always a pleasure to hear from
D.P.s and I'm glad to hear that Canada has
turned out so well for you.

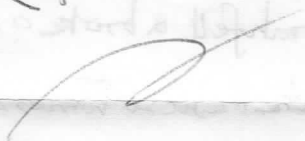

As for politics, I'm no longer active but I
don't like the situation here or elsewhere & only

hope, not very optimistically, that things
won't turn out as badly as they may,

With our best wishes to you & your
family, & remember me to Roy when you
are writing.

Yours sincerely,

Ralph Thacker.

If you are in touch with Candy &
Orchard, would you give them my
regards?
